2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

All affiliated colleges are bound by the university norms. The university has introduced major reformations in the examination from 2012-13. • Both the question papers and answer scripts are bar-coded. • New coding and decoding method has been introduced. • Each valuer will be given a code number and entry in to marks sheet is done under that code number. • As a result of these reforms, declaration of result is very quick and efficient. There is no scope for manipulation in the process and confidentiality is maintained. • Answer scripts are color coded-subject wise. Each question paper has a code called Q.P code which is further sub-divided. Student can obtain Xerox copy of the answer script and apply for revaluation. There is a provision for third valuation. In rare cases, the vice chancellor and the registrar of evaluation can permit challenge valuation where the aggrieved party may challenge the valuation done and get justice. a. Valuation process and result announcement is fully automated and outsourced, which ensure transparency and speed. b. Online payment of examination fee is introduced during this year. c. The latest reformation in the examination system is the introduction of the scheme called 'Sakala'. It is a flagship initiative of the state government aimed at providing timely services to citizens under the Karnataka Guarantee of services to citizens Act 2011. This Act guarantees quick and time bound service to the stake holders. It helps to overcome the lethargy of the case workers while issuing marks cards, convocation certificates etc., Following is the list of services included under Sakala with regard to university examination. List of services 1. Name correction in marks card as per SSLC/PUC marks cards. 2. Removal of 'withheld' from marks card. 3. Removal of 'non-completion of lower examinations' (NCL) from the marks card. 4. Migration certificate. 5. Provisional degree certificate. 6. Provisional marks card. 7. Provisional pass certificate. 8. Official Transcript. 9. Migration certificate. 10. Convocation certificate.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

It is the prerogative of the university to decide the calendar of events. As per university norms, we are bound to conduct internal assessment tests. First internal assessment test is conducted after 8 weeks of the commencement of the semester. After the completion of 12 weeks the second test would be conducted. Average of these two tests becomes the assessment marks out of 20. Improvement or the third test is also conducted to those who could not attend the previous

tests for valid reasons. It is also an opportunity for the students to improve their marks. The following are the various plans. Term-wise Teaching Plan:-Based on the prescribed syllabus issued by the Affiliated university, term wise teaching plan is prepared. The staff members have to prepare a teaching plan in the beginning of each semester and they cover the portion in accordance with their plan. The staff members are required to maintain the work diaries about topics actually covered matched with the plan. Rectification steps are also taken if required like extra classes, special classes. Action Plan of Various activities: - Different committees are formed well at the beginning of each academic year. The co-coordinators and committee members propose action plans of various activities such as cultural programs, seminars/workshops, tutorial classes, special lectures, academic and industrial visits, NSS and Sports events with in the frame work of the calendar of events issued by the university. Departmental Teaching Plans:- Each department functions according to the teaching plan prepared at the department level. The unit wise syllabus is discussed with the faculty. The audio/visual aids and the logistics is used inside the classroom. The department teaching plan also contains list of unit tests, assignments, projects, industrial visits, seminars, field trips and other activities. All the faculties maintain work diaries that are updated daily. The head of the institute reviews the work diaries regularly and it will be countersigned by the principal at the end of every month. Skill Development/Assignments:- The department of commerce and management carryout skill-development /Assignments to students, within the frame work of the prescribed syllabus and guidelines issued by the university. The marks obtained in the skill development are to be added for the test marks. Internal tests:-Internal Assessment/Test committee is formed at the institutional level conducts two internal test for all the students of semester scheme, a record book is maintained by the departments for the award of internal marks. The departments carry-out internal assessment based on students test performance and punctuality. The final evaluation of student is done according to the university schedule. At the end of each semester, examinations are conducted and evaluation is carried out by the Central Examination Board of the university. The Exam results are declared and marks cards are issued by the affiliated university.

#### 7.2 - Best Practices

#### 7.2.1 – Describe at least two institutional best practices

Title of the practice:- `SPANADANA' Women Empowerment Cell. Vision:- • Empowering women through academic excellence. Mission:- • The cell shall strive

```
to create a better society by empowering women. • To create awareness of the
   woman's rights. • To achieve social equality as a prerequisite for women
empowerment. • To promote more cultural space for women to foster a distinctive
     identity of their own. • To sensitize women towards our rich cultural
 inheritance. Goal:- • To empower women through education and strengthen them
   with social values and ethical sphere of life. • Identification of strong
 leadership qualities in them. • To promote a culture of respect and equality
  for women. • The provision of opportunities and programmes for women to be
 financially, psychologically and emotionally empowered so as to promote their
     growth as individuals in their own right. • To make them aware of the
guidelines of the Supreme Court and to ensure that sexual harassment is treated
 as an unacceptable social behaviour within the institution and the society. •
 To conduct seminars, workshops to impart knowledge of opportunities and tools
 available. • To inculcate entrepreneurial attitude among young girls so that
they will be "Job creators" rather than "Job Seekers". Structure: - The cell is
  headed by a President, Secretary and Treasurer from the ladies staff. Girl
students are its members. The Principal and senior faculty assist and guide the
  activities of the cell. The Context: - The institution has more than 50 girl
  students. Majority of them hail from rural background. Inequality and women
 harassment is a social stigma the cell has taken keen interest to protect the
 rights of girl student by organizing distinctive value added programmes. "If
you educate a boy you educate an individual, if you educate a girl, you educate
     a whole family". In this context the cell has designed several women
  empowerment programmes to educate the girl student. • To increase awareness
   among girl students and lady staff about their rights. • Listening to the
  grievances of girl students and guiding them through counseling. • Creating
 opportunities for girl students to participate actively in curricular and co-
   curricular activities. • Offering health and safety guidance. • Providing
financial assistance to poor girls. • To increase awareness among girl students
    about self-employment. The Practice:- The institution has organized and
 conducted various programmes under this cell with true spirit and dedication.
  The college under the banner of this cell has organized several programmes
which are listed below. SL NO SUBJECT SPEAKER/ RESOURCE PERSON 1 Inaguration of
  the Club Mrs. Sahana Prabhu, Classsical dance artist Dr. Kanchana Kulkarni,
   ayurvedic doctor Mrs. Shilpa Gopinath, Entrepreneur Mrs. Shwetha Byndoor,
 Artist 2 Womens day 3 Special Lecture on Legal awareness prevention of women
harassment on 20/12/2019 Justice Mahadevappa Sir, District Court, Shivamogga 4
 Beautician course for rural women at Melina Hanaswadi on 21/12/2019 Smt. Indu
Vinay Hegde. Beautician Teacher JSS Shivamogga. 5 Rangoli Competition for rural
  women at Melina Hanaswadi on 22/12/2019 Chief Guest Sri. B. Y. Raghavendra
Evidence of Success:- Video clippings, photos, media reports and annual reports
 in college magazines are the documentary evidence maintained by the cell. The
 institution has identified major changes in the attitude of girl students on
   various parameters. Overcome of shyness, more participation in class wise
seminars and extra -curricular activities, Positive attitude, free interaction
  with teachers and other students. In the recent campus selection by the The
Gallagher, TCS , Eton Solutions, number of girls participated and selected was
  more than the number of boys. Problems encountered and Resources required:-
Though the organizers and girl participants are keen to invite professional and
     expert trainees and speakers from outside, the cell is unable to host
programmes due to lack of financial resources. Notes:- After the establishment
of this cell since the past few years we have seen many positive changes in the
      behavioral pattern of girl student. Hence we strongly recommend the
 introduction of this practice in every co-education and girl's college. BEST
PRACTICE NO: 2 Title of the Practice:- " COLLEGE CO-OPERATIVE SOCIETY ". Goal:-
 The following are the important goals of the college Co-operative Society. •
Strengthening economic interest, cultivating the habit of savings and mutual co-
```

operation among the members. • To facilitate, co-ordinate and to promote

purchase and supply of stationery goods at reasonable prices. • To inculcate the principle of co-operation amongst students and to make use of its benefits. • Establishment of cafeteria to provide hygienic food at concessional rate. • To undertake purchase, sale and supply of foods grains, cloth and medicine to government and quasi-government hostels at reasonable prices. • Supply of the necessary stationary and other articles to the college on demand. The Context:-The institution right from its inception is an exclusive commerce and management, student centric college. In order to inculcate the knowledge of cooperative movement among the student community the institution started the Cooperative Society in the year 1976. In order to bridge the gap between theory and practice, students are encouraged to participate more in the co-operative society activity by becoming members of the society. The Practice: - The Society was established with the main objective of facilitating and coordinating the purchase and supply of stationery goods and other articles at reasonable prices during college hours to the students and college office. All the students of the college are the members of the society. The executive body of the society consists of eleven directors of whom nine are elected from student community. Representation is given to two girl students and one SC/ST student. The Principal of the college is its President and a teacher is the honorary Secretary to look after its day to day affairs. The books of accounts is systematically maintained and audited annually by the department of Cooperative Society. These audited accounts are presented before the members in the annual general body meeting. Detailed discussion will be held during meeting. The entire proceeding gives an overall knowledge to the students about conducting meetings, society by laws, quorum, minutes, budget allocation etc. As for as the constraints are concerned, the societies are regulated and monitored by the registrar of Co-operatives and the recent changes in Cooperative Act has resulted in a lot of difficult in fulfilling the department regulations. Further, there is no chief executive officer (CEO) for the society to run it on full time basis. Evidence of Success: - The continuous support and participation by the students and teachers for the past 40 years tells the success story of the college society. The objective set by the society in the beginning is achieved through student participation. Students, who served as Directors in our society, have become Directors, office bearers and employees of various Co-operative Societies in and around Shivamogga. The students are benefited financially as they get their uniform cloth, stationery, skill development records, test papers etc. from the College Society at a very reasonable price. Problems encountered and resources required: - The administration of Co-operative Society has encountered the following difficulties. • As a teacher works as the honorary secretary, it is not possible to open the society continuously during college hours as he has to engage classes. • Financial constraints of the society will not support to hire a full time CEO. • Fulfilment of the departmental provisions is a major difficulty to run the society smoothly and efficiently. Notes: - Our experience has shown that the establishment of the college society has brought a lot of benefits to the student community. Hence we recommend the introduction of this practice in all educational institutions.

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Our institution is recognized informally as the Lead College among the private aided institutions under Kuvempu University . As a result the institution leads

the other private aided institution in curricular, extra curricular and administrative aspects. Our vision is to make the institution one of the best Commerce and Management institutions in the state. Our mission is to grow up to the standard and become the first among the commerce and management institutions in the Kuvempu University. Our objective is to prepare the students with good theoretical knowledge and practical skill. To realize our objective we : - Conduct soft skill, communication skill training classes regularly to make the students fit for the job market. - Encourage students to conduct market surveys, attend seminars, present papers, participate in commerce and management competitions. - Conduct orientation programs for students and make them aware of the various opportunities and venues open for them after graduation. - Make a group of 'distinction students' during the V sem and encourage them academically by lending library books freely which they can keep until the examination. - We encourage students to participate in the training and recruitment programs organized by the institution in collaboration with Gallagher solutions and TCS IT company under their CSR scheme. CHALLENGES Students from rural areas are not very good in communication as they did not learn in English medium . Students are not very serious academically and do not have good knowledge about future possibilities. As, in our city there are few number of companies based on finance, IT companies do not come for campus recruitment and the salary they offer is not attractive, so this make the students migrate to metropolitan cities. EVIDENCE OF SUCCESS Our institution secures regular ranks in both B.Com and BBA courses and popularly recognized as the rank college. TCS and Gallagher IT companies are regularly conducting campus and recruitment programs and selecting students in more number for their companies. This year Eton Solution from Bangalore Recruited Seven Students with a good annual salary package. Our Students go for Higher studies in greater number and welcomed by other post-graduation institution. Companies like Infosys , Exchanging , etc. are looking forward to conduct campus drive in our institution. The following achievements of our institution ensure the success of Institutional distinctiveness:- 1. The college has emerged as a lead college in the Kuvempu University catering to the needs of quality education in Commerce and Management studies. 2. It is proud to say that our college is the only college having CA examination center and made easy the CA aspirants of Malnad region to secure the CA degree. 3. The college has emerged as a hub for many Government and departmental examinations. The examinations of KSET, KPSC, Police department exams, IBPS exams etc. are conducted in our college. 4. The college has tagged examination center of Kuvempu University. The students of nearby colleges having no exam center will attend examination in our college.
