The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children.

### Objective of Feedback

An annual survey was conducted to assess the satisfaction of parents regarding the services of the college. Each year we ask parents to complete a feedback form to gain an insight into how college could improve on various parameters. We value feedback and treat it with highest respect, courtesy, value and confidentiality.
