

EVALUATION OF TEACHERS BY THE STUDENTS

Feedback Analysis Report for the period 2019- 2020

Procedure to calculate percentage score

To assess the individual teacher's performance, feedback was collected from the students during the academic sessions 2019-20. Students were asked to fill up the feedback forms and rate the performance of their teacher on ten parameters (mentioned in the feedback form), on a four point scale.

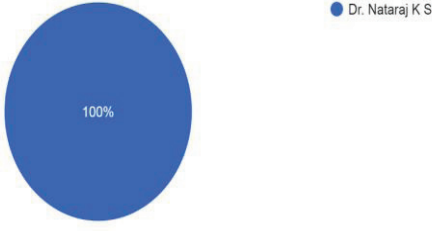

On the basis of the filled feedback forms, percentage score was calculated for each teacher as explained below.
